

## FACULTY DATA

**Name** : Ms.K.DHANADEEPA  
**Designation** : Assistant Professor  
Department Of Civil Engineering.

### **Educational Details:**

**Post Graduate** : **M.E. (Geotechnical Engineering)**  
Government college of Technology, Coimbatore

**Under Graduate** : **B.E. (Civil Engineering)**  
Thanthai Periyar Government Institute of Technology, vellore

**Date of joining** : 03/07/2017.

**Experience in NCE** : 0Year 1 Months

**Total Experience** : 3 Year 1 Months

**Teaching:** 3 Year 1 Months      **Industry:** 0 Year 0 Months

### **Publication**

#### **Journals**

**International: 1**

1. **S.Elavarasan and K.Dhanadeepa (March 2017)**, “Experimental Investigation on Hybrid fiber Reinforced geopolymer concrete” International Journal of Innovative Research in Science, Engineering & Technology, Volume 6, Issue 3

**National: Nil**

#### **Conference**

**Intrnational:**

**National: (1 No's)**

1. **K.DHANADEEPA** “Experimental study on stabilization of clay using polymer resin” , in National Conference on Recent advancements in Geotechnical engineering (NCRAG'12) held at Government college of technology, Coimbatore, 20<sup>th</sup> april 2012
