9 Organisational Chart

10**Student feedback mechanism on Institutional Governance/faculty performance**

- Feedback is collected from the students every semester to assess the faculty performance. The forms are analysed by the concerned HOD and will be discussed in the HODs' meeting with Principal and corrective actions will be taken if needed.
- Feedback is collected from the parents every academic year to assess the institution governance. If any grievances / suggestions, it will be discussed in the HODs' meeting with Principal and necessary corrective actions will be taken.

11**Grievance redressal mechanism for faculty, staff and students**

- For each class, a Class Committee has been formed. The Class Committee is headed by a Senior Faculty member who does not handle any subjects for that class. Six student's representatives (both boys and girls) are the members of the Committee along with the faculty members handling subjects to that class. The Committee meets once in a semester and informs the HOD concerned if any suggestions / grievances are reported by the students. These suggestions / grievances will be discussed with Principal during HODs' meeting.
- Any Faculty / Staff & Students can represent their grievances to the principal through concerned HOD. The Principal takes remedial measures and informs the individuals through HOD.
